

FISCAL NOTE

SB 2662 - HB 3045

March 8, 2004

SUMMARY OF BILL: States the legislative intent that the single family residence classification for homes for the mentally retarded or handicapped shall serve as the basis for code enforcement except for life and safety or licensure matters.

ESTIMATED FISCAL IMPACT:

MINIMAL

State law already requires that group homes be regulated as single family homes. There is no impact on the Division of Mental Retardation because federal requirements for group homes are already more strict than state or local codes.
